Istria
POREČ 300

INFO

At the time of Istria300 recreational road cycling event, the roads along the courses of the cycling race will be fully closed to traffic in the time intervals shown in the map.

There will be a possibility of crossing the race routes at specific points supervised by the police, as shown on the map.

However, the cyclists will have the priority which might cause certain waiting periods.

Call our INFO line for further information:
